

Attendance Policy

Poor attendance disadvantages children. We aim to ensure that the children in our school attend regularly and on time, and where this is not the case, staff follow a staged procedure to encourage consistent attendance.

While 100% attendance is clearly the ideal, in many cases legitimate illness or other factors can prevent it. Such attendance where it occurs is clearly excellent. On the other hand, attendance, which falls below 90%, where a child is known to be in reasonable health and there are no extenuating circumstances, is poor and should give cause for concern. In order to ascertain the levels of individual children's attendance we have a set of procedures, outlined below, and where there is cause for concern, appropriate action will be taken.

Pupils are expected to attend school for 190 days a year. Pupils must be ready to start their lessons at 9.00am. Parents/carers are expected to request permission in advance for any absence other than illness and the school has every right to refuse it. Each request will be assessed on an individual basis.

We are obliged to make our attendance figures known to legitimate agencies by completing appropriate returns.

Authorised Absence:

Where there is an absence the member of care staff will inform the Head of Education to enter the appropriate explanatory symbol in the absence box.

Unauthorised Absence

We will use our professional judgement in deciding whether or not to authorise an absence. Clearly, where there is a definite pattern of non-attendance or where the explanation for absence is unsatisfactory, sanctions will be put in place.

Every half term, it is a requirement to keep totals of possible and actual attendance, along with the number of authorised and unauthorised absences per week (in sessions). This information will be provided and kept by the Head of Education.

Procedures

Class teachers and the Head of Education have initial responsibility for expecting good attendance and punctuality from the children in their care and reward systems are put in to place to promote good attendance.

If attendance becomes a problem a meeting will be put in place to discuss issues and possible solutions.

Roles and Responsibilities

The school Key Worker and the Head of Education are initially responsible for encouraging good attendance, seeking out reasons for absence, keeping the register correctly, and for referring any concerns to the pupil's key worker and the Registered Manager.
